MINHAS AHMOD

Web Developer | BSc (Hons) Chemistry Student

Chandanaish, Chattogram, Bangladesh | +8801766708327 | minhasahamod@gmail.com | LinkedIn: https://www.linkedin.com/in/minhas-ahmod/ | GitHub: https://github.com/Minhas10

Profile

First-year BSc (Hons) Chemistry student at Patiya Govt. College (National University), Bangladesh, building a strong foundation in chemistry and looking for practical laboratory work, academic projects and further study. I also learn web development independently, which has added technical and problem-solving skills alongside my degree.

Education

Qualification	Institution	Year	Result
BSc (Hons) in Chemistry	Patiya Govt. College, National University, Bangladesh	2025–Present	First year; expected graduation 2029
Higher Secondary Certificate (HSC), Science	Patiya Govt. College, Chattogram	2025	GPA 4.75 / 5.00
Secondary School Certificate (SSC), Science	BGC Academy School & College, Chattogram	2023	GPA 5.00 / 5.00

Experience and Volunteering

Campus Ambassador (Volunteer) | Bondi Pathshala | December 2024 – June 2025

- Promoted Bondi Pathshala's HSC academic courses to classmates and guided each of them to the course that suited their needs.

- Helped classmates enroll in the courses and supported 10+ people through the enrollment process.

Technical Skills

- **Web development:** HTML, CSS, Tailwind CSS, JavaScript (ES6),React
- **Currently learning:** Next.js,MongoDB
- **Tools:** Git, GitHub, Visual Studio Code,Figma
- **Office and productivity:** MS Word, MS PowerPoint

Project

Personal Portfolio Website | Live: https://github.com/Minhas10 | GitHub: https://github.com/Minhas10/portfolio-website2

- Built a personal portfolio website as part of my web development learning.
- Practiced HTML, CSS, JavaScript and responsive web design.
- Used Git and GitHub to manage the project.

Coursework, Interests and Plan

Coursework: Organic Chemistry, Inorganic Chemistry, Physical Chemistry, Analytical Chemistry, Chemistry Laboratory.

Interests: Responsive front-end development with HTML, CSS, Tailwind CSS and JavaScript; building modern web apps with React and Next.js; clean, user-friendly UI design; version control with Git and GitHub; turning ideas into small, practical web projects.

Plan: Learn React and Next.js in depth, build and deploy more real-world web projects, and keep growing my GitHub portfolio alongside my degree.
